

DISTRICT OVERVIEW

- Located in Park County on the Eastern Slope of the Continental Divide of the Central Rockies. The Headquarters Station is in Fairplay, approximately 85 miles southwest of Denver, 85 miles northwest of Colorado Springs, and 23 miles south of Breckenridge.
- The District covers an area of almost 1,500 square miles at an average elevation of 9,000 feet above sea level.
- **911 responses only.**
- There are no hospitals in Park County. In Fairplay there is primary care clinic operated by HealthOne. There are no nursing homes / assisted care facilities.
- All patients are transported to Frisco, Woodland Park, Salida, Denver, and Colorado Springs. Average time with a patient is 110 minutes for Front Range transports.
- Helicopter transport is routinely used for critical patients. Helicopters are based in Denver, Colorado Springs, and Frisco (24/7).
- Mutual Aid is available from 3 EMS systems in other areas of Park County, also Summit County, Teller County, and Chaffee County. Most mutual aid is about 1 hour away.
- Three primarily volunteer first responder fire protection districts are located within the District. SPAD ambulances and fire district units are co-dispatched for all emergencies.
- EMD dispatching provided by the Park County Emergency Communications Center.
- Outstanding community support.

DISTRICT FUNDING

- The District is a local government, Title 32 Special District, funded through property taxes and fees for service. The Board of Directors are elected by the public.
- The District initiated operations on January 1, 1992.
